# MISSION

The Neighbors' Place is a grassroots, non-profit organization founded in Wausau, Wisconsin with a simple mission: to be **"People Helping People."** The organization has a strong multi-faith and multi-cultural heritage, and was initially started as a community center for people transitioning into the community or struggling to overcome a variety of hardships.

In 1989, after a decade of planning, The Neighbors' Place became a legally recognized non-profit organization and continues to work with each individual who comes through the door.

Over **4,000 families** received household items such as furniture and hygiene products.

Provide **community workshops** that provide information and skills such as sewing, cooking, knitting and crocheting. 309 children were provided more than **800 gifts** through our Christmas Assistance program.

A community garden that uses organic practices to produce over **5,000 lbs.** of vegetables for our food pantry per year.

An average of **945 food requests** went through our food pantry each week.
